WELCOMING MORE LEARNERS

In 2017, NBCC set a True North goal of welcoming more than 11,000 learners annually by 2022. Despite the uncertainty caused by the COVID-19 pandemic and a projected decline in enrolment, NBCC exceeded its Year 4 target by 2.3%, welcoming more students than ever before. This is largely due to the collective leadership and perseverance of employees across the College, which resulted in a dramatic increase in professional and part-time learners as well as an increase in apprenticeship over the previous year.

NBCC sought opportunities for community delivery, targeted programming for under-represented groups, and industry partnerships to provide fast, flexible, and relevant skills development. Micro-credentials for women, Indigenous learners, and those whose employment was interrupted by the pandemic provided reskilling opportunities for learners and a talent pipeline for industry.

The flexibility of NBCC's blended academic delivery model, in which students learned the theory of their programs virtually and attended campus for practical elements, made post-secondary education more accessible to many learners. For working New Brunswickers, parents of small children, and those who were geographically distant from campus..7 (e)-4 (

BUILDING OUR CAPACITY TO GROW

NBCC's strong financial stewardship continues to allow us to strategically reinvest in the people, processes, and resources that are key to building our capacity to grow.

Our Continuous Improvement index continues to increase, outpacing the target we had set for 2020-21 and realizing savings from Lean projects, including local purchasing, staff onboarding, student intake, and

STATEMENT OF OPERATIONS & CHANGES IN ACCUMULATED OPERATING SURPLUS

REVENUES (\$ MILLIONS)

NBCC places significant reliance on revenues subject to provincial approval(s). Grant from Province comprises 61.6% of Revenues (representing an increase from 61.3% in prior year and a decrease from 66.1% in 2013). Tuition and fees, which are also subject to ministerial approval, comprise 21.1% of Revenues (representing a decrease from 21.3% in prior year and an increase from 14.3% in 2013)

EXPENSES (\$ MILLIONS)

k increased by \$0.8M (or 0.9%) in
2021. This is primarily attributed to increases over prior year in Grant from Province
(\$0.8M or 1.4%) and Apprenticeship and cost recoveries (\$1.7M or 28.2%). The above is a iall off e b dec ea e in Sale . Mo

ukincreased from \$77.9Min 2013 to \$91.1M in 2021 (representing anincrease of \$13.2M and 17.0%).

This increase is primarily attributed to cumulative growth in Tuition and fees (i.e., \$8.1M) and Grant from Province (i.e., \$4.7M).

STATEMENT OF FINANCIAL POSITION

ASSETS (\$ MILLIONS)

° increased by \$13.3M (or 29.1%) in 2021. This is attributed to an increase in Current Assets (i.e., \$13.8M) partially offset by a decrease in Capital Assets (i.e., \$0.5M).

" increase is attributed to higher Due from Province (i.e., \$14.6) partially offset by \$0.9M decrease in Accounts receivable.

u ** have increased consistently each year (i.e., from \$18.0M in 2013 to \$59.2M in 2021 representing an increase of \$41.2M and 228.8%) driven by positive cash flows from operations.

This is primarily attributed to asumulative increases in Due from Province (\$38.7M or

NET ASSETS TO EXPENSES RATIO

Net Assets to Expenses Ratio measures the organization's ability to continue operations in the event of a delay or reduction in revenue.

For the purposes of this ratio, net assets include accumulated operating surplus, amounts internally restricted for specific purposes and investment in capital assets as well as deferred capital contributions. Unfunded employee future benefits are excluded as they do not represent an amount likely to be accessed in the event of a delay or reduction in revenue nor an amount likely to be called upon for settlement in the short to medium term.

A benchmark for a mature institution is at least 60%. Less may indicate a lower tolerance for variabilities in Revenues.

Responsibilities of Management and Those Charged with Governance for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with Canadian public sector accounting standards and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the College's ability to continue as a going concern, disclosing as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the College or to cease operations, or has no realistic alternative but to do so.

reporting process.

Auditors' Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion.

Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with Canadian generally accepted auditing standards will always detect a material misstatement when it exists.

Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of the financial statements.

As part of an audit in accordance with Canadian generally accepted auditing standards, we exercise professional judgment and maintain professional skepticism throughout the audit.

We also:

our opinion.

The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

d. Impact of coronavirus COVID-19 pandemic

On January 30, 2020, the World Health Organization ("WHO") announced a global health emergency because of a new strain of coronavirus, the "COVID-19 outbreak". In March 2020, the WHO classified the COVID-19 outbreak as a pandemic, based on the rapid increase in exposure globally. As a result of this, on March 19, 2020, the government of New Brunswick's Minister of Public Safety issued a Mandatory Order declaring a State of Emergency. This Mandatory Order is renewed frequently by the Minister to reflect evolving conditions and mitigating measures. In addition, the Canadian and provincial government have imposed travel restrictions to Canada and New Brunswick on several occasions which impact both staff and students.

In response to the Mandatory Order of

NOTES TO FINANCIAL STATEMENTS

During the period, the following were received and are measured at the exchange amount, which is the amount of consideration established and agreed by the related parties:

- \$56,149,917 in grants from the Province (\$55,367,645 in 2020);
- recoveries (\$6,120,410 in 2020).

Contributed services are received from the Province for various unallocated operating costs. The College has elected not to recognize these as expenses. The contributed services include:

- ٠ square feet;
- Cash concentration services (see Note 2c for more information); and,
- Payroll and financial system services.

During the period, the College transferred \$750,000 (\$389,768 in 2020) to the Province of New Brunswick's Department of Transportation and Infrastructure related to projects completed during the period.

Amounts owing from the Province at March 31, 2021 total \$92,573 (\$826,542 in 2020) and are included in accounts receivable (see Note 3).

15. **CONTINGENCIES**

a. Legal

The College is engaged in various legal proceedings. Potential costs, if any related to claims against the College have not been reflected in the financial statements. While the ultimate outcome of these proceedings cannot be predicted at this time, it is the opinion of the College that the resolution of these daims will not have a material impact on the financial position of the College. Any loss or gain that may result from these proceedings will be accounted for in the period in which the settlement occurs.

b. Collective bargaining

The College is party to five collective agreements expired on or before March 31, 2021. At the time of issuance of these financial statements, no settlements have been reached. The value of potential settlements cannot be predicted at this time. Accordingly, amounts are expensed in the period that they occur. The Province has traditionally increased the Grant from Province in the amount of economic increases related to approved settlements in the form of an in-year supplementary budget transfer.

16. **COMPARATIVE INFORMATION**

Certain comparative information has been reclassified to conform with the financial statement presentation adopted in the current year.
